

FDVL41

Speed DRIVER

Flooring and Decking

Features & Benefits:

- Drive 1" to 3" screws with this integrated system, no awkward attachments
- Adjustable, accurate depth control for countersinking, no raised screw heads
- Optional telescopic extension handle (shown) for stand-up operation, relieves operator fatigue
- 150 screw coil magazine, less time spent reloading
- Industrial strength for the professional contractor
- Rubber nose piece, prevents damage to floor or deck surfaces
- Bits are double-ended, change bits in seconds without special tools

MJRO *The Professional Way To Drive Screws!*
